

HELP WANTED!

Central New York/Oswego County Teacher Center

The CNYTC/OCTC is looking for facilitators to organize, lead and plan for “Curriculum Connections” groups. These groups will be developed into grade level sections. Example: Math K-2

The purpose of Curriculum Connections is to allow teachers to come together to discuss successes, struggles, share and plan curriculum ideas in their content/ grade level area as it relates to the CCLS.

The facilitator must be a leader in the subject area for which they are applying. They should be comfortable in front of large groups and possess the ability to guide the planning for the group’s future meetings. It is the facilitator’s responsibility to plan for the first meeting, develop activities that ensure all have the opportunity to participate and share.

The Curriculum Connection groups will meet three times between January-June 2013. The pay rate for the facilitator will be \$50 an hour for three, two hours sessions. If you are interested please email Karen Culotti, kculotti@oswegoboces.org and she will forward the Facilitators Application to you.

We need facilitators for the following Curriculum Connections groups:

Math K-2

Math 3-5

Math 6-8

Math 9-12

ELA K-2

ELA 3-5

ELA 6-8

ELA 9-12
