Inquiry Path.....

In a few sentences, write a synthesis of what you have learned from your research about this Inquiry Path. This synthesis should provide an answer to your Inquiry Path, referencing your sources. At this point, you are NOT yet expected to provide your personal perspective. You simply give an account of your findings and analysis of sources. Draw from the Forming and Organizing Evidence-Based Claims tools you have developed for this Inquiry Path and use connecting words to help express the logic of your ideas.
