

# **Creative Cost Cutting Strategies for Saving \$ Every Day**

The car needs repair, your child needs braces...and the bills keep coming. Even in a two-income household, just trying to “make ends meet” today can seem like a daunting task. In this workshop we will explore money-saving strategies for all areas of our life including:

- Tools to track spending
- Balancing your budget
- Extreme Couponing (ok maybe not “extreme”, but really great couponing tips & tricks)
- Saving on Insurance costs-auto, home & health
- Saving strategies for “big ticket” and “odds & ends” items
- Credit card debt
